

OPENING CEREMONY

Player briefing

The essentials before we begin: this is a friendly meet built on competition, camaraderie, and respect.

SEPT 19	9:00 AM	10:00 AM	5 COURTS
Saturday, 2026	Registration starts	Program starts	Rally District PH

WHAT EVERY PLAYER NEEDS TO KNOW

1. Format

18 OCPC pairs and 18 Rally Rebels pairs compete in Novice, Low Intermediate, and High Intermediate. Pairs play the other club only: 90 round-robin matches across 5 courts.

2. Stay with your pair

Registration opens at 9:00 AM. Check in, confirm your category and partner, complete the waiver/photo check, and stay near the playing area.

3. Round-robin rules

Side-out scoring to 11. Win by two, except at 10-10: the next rally wins 11-10. Each match uses a 15-minute schedule slot. No team timeouts.

4. Court procedure

Your posted time is a target. Go when called, confirm your opponent and referee, and follow the live Match Control board if courts or times move.

5. Score and disputes

Review and confirm every final score before leaving the court. For any dispute or unclear call: automatic re-serve.

6. Medal matches

After round robin: bronze matches are expected first on Courts 1, 3, and 5. Gold matches follow. Medal matches use side-out to 15, win by two, capped at 19.

7. Dream Breaker

Only if time permits. Rally scoring to 52 by default; every rally scores. Clubs rotate after every 4 rallies and change ends at 26. Organizers announce if activated.

8. Keep it friendly

This is a friendly meet, not a reason to fight over a point. Make honest calls, respect opponents and officials, keep the court safe, and represent both clubs well.

One final reminder: The joint Match Control team and organizer announcements are the final source for court assignments, timing, and operational changes. Play hard, settle disagreements respectfully, and remember: this is a friendly meet.

OPENING CEREMONY

Oath of sportsmanship

All players from both clubs recite the oath together. Please raise your right hand and repeat after the host.

I, [State Your Name], solemnly promise to play with honesty, respect, and fairness.

I will respect my opponents, my partner, the officials, and the game of pickleball.

I will make honest calls, follow the rules, and accept every decision with grace.

I will compete with courage and humility, whether I win or lose.

I will encourage my teammates and treat every player as part of this community.

I will help keep the courts safe, welcoming, and enjoyable for everyone.

Beyond competition, we recognize that this dual meet is a celebration of camaraderie, unity, and community.

May every rally strengthen friendships, inspire teamwork, and remind us that the greatest victories are the connections we build together.

With sportsmanship in our hearts and respect in our actions, we proudly take part in this Friendly Dual Meet.

I will play fair, play hard, and honor the spirit of the game. So help me, God.

Let's play pickleball!

Next

Pre-ceremonial team handshake, then follow the Match Control team for the program flow and live court announcements.
